Dear Stakeholders and Interested Parties,

The Alaska Seafood Marketing Institute (ASMI) will be hosting a one-hour Alaska RFM workshop at Seafood Expo Global. An update on RFM will be provided including a program overview. Information on our participation in the Global Sustainable Seafood Initiative (GSSI) as well as the potential future of FAO certifications programs will be discussed.

Most importantly, we would like to engage with you directly on how to collaborate and work together in the future.

If you are unable to attend, we would be happy to meet with you at ASMI's booth in Hall 6 - #1126, 1127 and 1143. If you have any questions, please contact Jeff Regnart at jrregnart@gmail.com or 907-240-8978.

We look forward to meeting you in Brussels.
